## DEAR CUSTOMERS,

THANK YOU to everyone who made Australia Day so much fun, and thank you to K & A Meats and Woolworth's @ Southlands Shopping Centre for sponsoring our FREE BBQ! On a more sombre note, it is terrible to see that the drowning toll has continued to rise throughout January, taking us to a drowning toll of 84 nationally, with 27 drownings just in NSW alone. Teaching your child to swim, & learning yourself, is one of the cornerstones of water safety, but please be aware of the other contributing danger factors, including supervision, checking pool fences and gates, educating yourself and your children about ocean and river conditions, and learning CPR. We offer CPR courses monthly at NAC, run by a Royal Life Saving trainer. Make sure you know what to do in an emergency - check the website for course dates or enquire at reception!
