ACTIVE KIDS VOUCHERS

2021 Active Kids Vouchers are now available - bring in to reception to use for swimming lessons!

DEAR CUSTOMERS,

HAPPY 2021! We trust that you all had a wonderful Christmas with your families, and a very Happy New Year - this year has to be better than last year right? Our New Years resolution is always the same - to focus on water safety and ensure as many children as possible in our community are learning the life saving skill of swimming. At home, please fence the pool, keep all gates closed and make sure they are self-latching, and ensure active supervision of children at all times, as distraction can be deadly. Get children into swimming lessons as soon as possible, keep under 5's at arm's reach, both in the pool and at the beach, and learn CPR in the case of emergency. Children can never be 100% safe around water, which is why these layers of protection are crucial. We look forward to seeing everyone back at the pool this month!

Multiple Lessons

Did you know we offer great discounts for multiple lessons to make your children super swimmers in less time? 2nd and subsequent weekly lessons are just \$10, and even less with sibling discounts applied! We are finding that many of our customers are changing to 2 lessons per week, either in a row or on different days, as the more lessons children do per week, the quicker they will make up for lost time in the water, and the safer they will be (especially for older children in the Squids level and up). Second lessons are only \$10 each, so if you do 2 lessons per week this brings the price down to under \$15 per lesson, which is a more cost effective way for your child to learn to swim. Available all year round, add a second weekly lesson at any time to suit your schedule.
