Changes to the way we award stickers for acquisition of

Learn To Swim skills! We will be introducing a new way of awarding skill stickers to students from February 1st, to make the process easier for everyone! Currently when a student is awarded a skill the teacher asks the parent to go to reception and ask for the appropriate coloured sticker, but sometimes the colour or skill is forgotten, or we parents leave the centre without remembering to ask for the sticker. So from now on, when your child obtains a new skill, your LTS instructor will give the student (or parent if the child is very young) a laminated card stating the sticker earned. This card is then swapped at reception for a sticker. If you accidentally leave without claiming the sticker, or pop the card into your bag and forget about it, you can just hand the card in for a sticker next time you attend! We are so proud of every single child in our program when they obtain the next skill, and so wanted to design a process that gave them something physical to redeem for their sticker, on top of the praise and encouragement a new skill learnt also brings!

ACTIVE KIDS \$100 REBATE: *Swimming lessons will definitely be eligible for the rebate, however we (Nepean Aquatic Centre and Eva Bory's Swim School) will not be able to register as a provider until at least March 2018, as the final details of the scheme are still being worked out and providers added. We will let you know as soon as we are a registered provider (hopefully late March tbc), and exactly how you can spend your \$100 voucher on swimming lessons with us then, or next year if you have spent your 2018 voucher on a different sport by then! More general information regarding the rebate is on the Office Of Sport website, and we will keep you informed as more swimming specific details become available.*

Have you collected your FREE school carnival swim cap yet?

We are giving away a free NAC and EB branded swim cap, in school sports house colours, to all students in the following levels: Stingrays, Dolphins, Sharks, Private Lessons, Kids Swim 4 Fitness and Squads – 1 per person, while stocks last! Why is your child receiving this gift? As a reward for working hard in lessons and to get them excited about their school swimming carnivals! Please go to reception after your next swimming lesson and request your cap in your school house colour!

OFFERS AND FUN COMING TO NAC AND EB'S IN FEBRUARY AND MARCH!

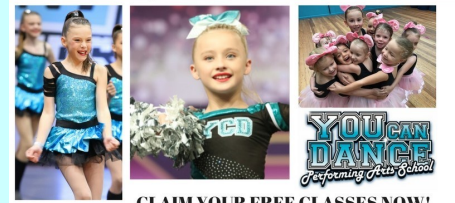

Eva Bory's Swim School / You Can Dance Offer:

It's the new year, so if you are like the majority of us, you are currently planning your family's schedule and the children's activities for 2018, ie how to positively channel their seemingly boundless energy! With so many activities and sports to choose from, and the costs and time commitment involved, how can we make the right decision? To this end, Eva Bory's Swim School and You Can Dance, both in Emu Plains, have joined forces to offer local residents the chance to experience the children's services we offer. Did you know that learning to swim and learning to dance are both complimentary to each other and hugely beneficial to a child's development?

Pop into Eva Bory's Swim School or You Can Dance this February - You Can Dance are offering a free 7 day pass to any children currently enrolled or who enrol at Eva Bory's Swim School, and Eva Bory's Swim School is offering a free lesson to any You Can Dance students who enrol in swimming lessons!
