SPRING INTO OUR SCHOOL HOLIDAY SPECIAL

Spring is the perfect time to talk about safer swimming, which is at the heart of everything that we do. One way to ensure your child is safer around the water is to fast track their swimming skills with an intensive block and /or multiple lessons. Which is why we offer both at a discounted lesson price to help you boost your child's swim skills ahead of summer.

Our next Intensive Learn To Swim block will run 1st week of the next school holidays, from Monday 30th September to Friday 4th October! Just \$10 per lesson, \$50 for 5 lessons, for Squids, Platypus, Stingrays, Dolphins & Sharks!

We also offer multiple lessons year round to make your children super swimmers in less time - 2nd and subsequent weekly lessons are just \$10 each, and less with sibling discounts applied! Many of our customers opt for 2 or more lessons per week, with many choosing to do 2 lessons in a row while they are at the centre. Enquire at reception!

SCHOOL HOLIDAY FUN

Our next School Holiday Fun at Nepean Aquatic Centre is on **Wednesday 9th Oct, 9.30 - 12.30pm!** Come and wear the kids out with giant whale inflatabe, floating mats, pool toys, and more! Lifeguards are on duty, but please remember we require active supervision by parents at all times.

We cater for babies classes from 6 to 30 months, with all Water Babies classes tailored to the age and abilities of the children. Children learn important skills within each level before advancing to the next level, whilst having fun! Our program rotates over 4 weeks, giving variety and maintaining the children's interest whilst practising the skills that we want them to achieve. **Teaching your child to swim from a young age is giving them an important gift for life**, plus special bonding time for baby and their carer - Mum, Dad or Grandparent!
