NEPEAN AQUATIC CENTRE IS 7 YEARS YOUNG!

A HUGE THANK YOU to all of our wonderful customers & staff who have made the past 7 years so much fun & so rewarding, and to all the children who have become safer around water as a result of learning to swim!

**Love To Swim,
Swim for Safety,
Swim for Life!**

**Congratulations to Allison Jensen (NAC) & Natasha Lea (EB) ~
Winners of our March Lucky Draw!**

ANZAC DAY

Eva Bory's and Nepean Aquatic Centre will be **CLOSED** on **ANZAC DAY (Wednesday 25th April)**.

If you usually attend swimming lessons on a Wednesday, you will not be charged for your lesson on that day.

School Holiday Special

Is running this school holidays from **16th to 20th April**. It's fun, it's great exercise, and most importantly it is a great way to boost your child's

swimming skills with a 1 week intensive swimming program at NAC!

Classes are available for our Squids, Platypus, Stingrays and Dolphins classes, and Sharks may attend the Dolphins class. **Plus, it's great value, at \$70 for 5 lessons.** Please see reception for more details or to make a booking.

Multiple Lesson Discounts

Did you know Nepean Aquatic Centre and Eva Bory's Swim School offer discounts for multiple lessons per week! Between 40% to over 70% off!

Families come in all shapes and sizes – so our multiple lesson discounts do too! Whilst our Learn to Swim program is absolutely effective when delivered once a week to our students, like any skill, repetition is key, and there are great benefits to more regular practice. For some families, the one lesson per week approach to Learning to Swim is the best option in terms of both time and financial commitment, however more regular lessons suit some families better. Other benefits of multiple lessons per week are that your child is getting fitter with extra exercise, they are preparing for school swim carnivals with extra practice and they are improving their stamina in preparation for Squads or Kids Swim 4 Fitness.

The Reimagine Ageing Festival is on again, 4th – 15th April, and we are pleased to once again be providing free and discounted services to Seniors! Offer booklets are available at both centres receptions, jam packed full of great things to do around Penrith. We are offering free Aquarobics and Public Swimming at NAC and Free Public Swimming at Eva Bory's from 4th - 15th April, just show your Seniors Card upon entry! We are also offering 50% off CPR courses for April or May for Seniors if booked during the festival! Just email julie@nepeanswim.com.au if interested in taking up the half price CPR course offer.

School Holiday Fun.....Why not celebrate the last day of the school holidays with some indoor, heated, pool party fun! Friday 27th April 9.30 - 12.30! The kids will wear themselves out and have a ball doing so! We have the giant whale inflatable, floating mats & pool toys! Lifeguards will be on duty, but please remember, lifeguards are not a substitute for active supervision by parents. Swimming aides are not supplied, please bring child's floaties if needed. \$6.50 entry, \$20 for a family of 4, \$3.50 for any extra children not included on family pass. Put the date in the diary, grab your friends, and have a great time!

ACTIVE KIDS \$100 REBATE:

ACTIVE KIDS Swimming lessons will definitely be eligible for the rebate, however we (Nepean Aquatic Centre and Eva Bory's Swim School) were not able to register as a provider until March 2018, as the final details of the scheme were still being worked out and providers added. We have now applied and we will let you know as soon as we are a registered provider (hopefully late this month), and exactly how you can spend your \$100 voucher on swimming lessons with us then, or next year if you have spent your 2018 voucher on a different sport by then! More general information regarding the rebate is on the Office Of Sport website, and we will keep you informed as more swimming specific details become available.
