- Lets be social!

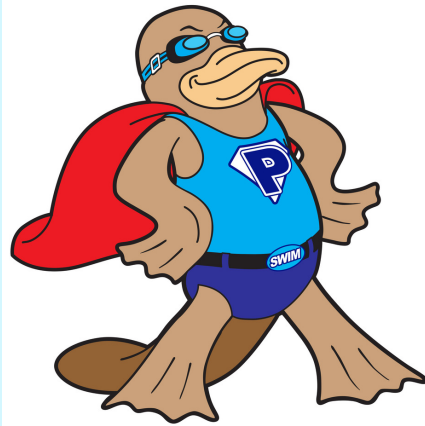

SWIM SHOP NEWS!

Top brands at great prices, all year round, & all at 15% off RRP!
NEW styles arriving in AUGUST!

DEAR CUSTOMERS,

It's been a cold few weeks, and we would like to congratulate our dedicated customers for continuing your swim journey throughout winter!

Consistent attendance is absolutely the best thing you can do to keep your children active, fit and healthy and, most importantly, to make sure the swim skills acquired to date do not regress due to a break in lessons, wasting all the time and money you have invested to date. With the warmer weather just around the corner, turn over to see all the options available to become a Super Swimmer!

DIRECT DEBIT!

Thank you to all customers who have returned their Direct Debit form to date! In order to continue to streamline our payment processes we now need any outstanding Direct Debit forms returned to reception by 31st August. Remember, once you have handed your form in, if you prefer to avoid paying by Direct Debit simply pay at reception by the end of previous month to avoid the direct debit going through (ie pay August fees in advance in the final week of July!) The changeover to direct debit will help streamline the check in process and improve congestion at reception. Love to Swim, Swim for Safety, Swim for Life!

FREE PRE SCHOOL WATER SAFETY VISITS

Safety is of paramount importance, so we need to educate with swim safety messages from the earliest possible age – which is where our Pre & Primary School and Childcare Centre Water Safety Visits come in! Provided as a free service, we will come to your school / childcare centre with our mascot – Paddles The Platypus – and read stories, sing songs, talk about water safety and have a meet and greet with Paddles.

We leave the school / childcare centre with CD/ DVD and story book to continue educating regarding water safety, and leave the children with a fun, positive, happy memory – which is the best way for them to learn these important lessons! Our calendar for 2019/20 is nearly full, so if you would like us to visit your Pre or Primary School or Childcare Centre, please email julie@nepeanswim.com.au asap!

LOVE TO SWIM, SWIM FOR SAFETY, SWIM FOR LIFE!

THERE ARE SO MANY WAYS TO GET SWIMMING WITH US!

Is your child 6 months or over? They should be swimming!

We cater for babies classes from 6 to 30 months, with all Water Babies classes tailored to the age and abilities of the children. Children learn important skills within each level before advancing to the next level, whilst having fun! Our program rotates over 4 weeks, giving variety and maintaining the children's interest whilst practising the skills that we want them to achieve. Teaching your child to swim from a young age is giving them an important gift for life, plus special bonding time for baby and their carer - Mum, Dad or Grandparent!

Do you know an Adult who cannot swim?

Did you never have the opportunity to learn to swim? Could you save your child if they were in trouble? Do you miss out on all the fun in the sun with your family that swimming provides? It is NEVER too late to learn! Our Adult Group lessons are 1 hour in duration and are delivered a block of either 8 or 10 weeks. Included in the price is also a FREE 10 visit swim pass that can be used at either of our centres. Please email belinda@nepeanswim.com.au with any queries! Make this year your year to overcome your fear of the water!

Already swimming? Become a Super Swimmer!

SECOND LESSON SPECIAL! Fast track your child's swimming skills with a second weekly lesson - just \$10, all year round, with further sibling discounts!

PRIVATE LESSON BLOCKS! 5 week blocks of Private Lessons are available at Eva Bory's Swim School at a discounted price of \$35 per lesson per half hour lesson! Please email belinda@nepeanswim.com.au to enquire.

KIDS SWIM 4 FITNESS? Structured swimming squad for children 8-16 years who wish to swim non competitively to maintain their water and general fitness!

STAFF PROFILE - DONAL RAMSAY

Position: Swimming Instructor at NAC & EB for nearly 2 years.

Best part of the job: Watching the kids have fun in my class knowing they are learning valuable skills – also watching my adults and Achievers students achieving goals they have set while enjoying learning to swim.

What you hope to achieve in your job: To inspire people to enjoy good safe swimming with the correct skills. Helping my students to achieve their goals and have fun doing it!

What you would like to say to customers: Swimming is such an essential skill in Australia, not just for kids but for everyone. It is ingrained in our Australian culture, so learn to swim and enjoy it!

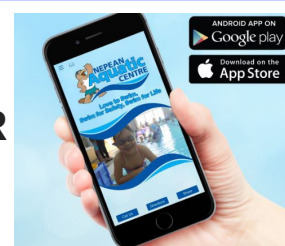

Other interests and hobbies outside work? I also run my own horticultural maintenance company, I love working, singing and charity work.

Your wish or personal ambition for this year: To continue bettering my health and help to provide support to those who need it, through my job, my business and my charity work, as I believe we are all here to help each other.
